

Public Information Session Scheduled for Norfolk Airport Master Plan Update.

Norfolk Airport Authority will present development concepts to the public as part of the Master Plan Update (MPU). The Airport's MPU accounts for numerous changes that have taken place at the Airport, in the aviation industry, and in the Hampton Roads region since the Airport's 2008 MPU. This Master Plan will be used to support growth and guide development to meet existing and future needs of Airport users.

Mark your calendar to attend a Public Information Session.

Please join us to learn about and provide feedback on proposed updates to Norfolk International Airport. During the information session, you will have an opportunity to review airport development concepts, including potential improvements to the airfield, passenger terminal, parking, air cargo and general aviation facilities.

Thursday, September 12, 2019, 6 - 8 p.m.
(presentation at 6:15 p.m.)

**DoubleTree by Hilton Norfolk Airport,
1500 N. Military Highway, Norfolk VA, 23502**

The information session location is accessible to persons with disabilities. If you require special assistance, such as sign language, call 757-460-4183, or TTY 711 by Monday, September 9.

Can't make the meeting? Please send input by October 15, 2019.

The public meeting presentation and materials will be available on the study website. We want your feedback on how the updates meet future needs of Norfolk International Airport. Share your input and requests to be added to the MPU mailing list in one of the following ways:
